

Are you a Harmony farmer?

This platform has been created for you!

As part of the Harmony program and its supply chain contracts, Mondelēz International has developed a digital platform dedicated to Harmony supply chain farmers and technicians across Europe.

Why use the Harmony wheat chain platform?

- Simple, free and unlimited access to a source of information tailored to your job, thanks to an online platform and a mobile application;
- To find out more about the Harmony program, the implementation of the new Charter's farming practices, the pilot projects and to keep up to date with news from the wheat chain;
- To be able to communicate in real time with my cooperative/miller regarding the harvest calendar and the obligations of the Harmony Charter;
- Take advantage of a wide range of content covering the key issues facing the world of agriculture: soil health, biodiversity, climate, economic profitability, etc. ;
- Find inspiration in the stories shared by Harmony farmers in Europe, and by experts in the world of agriculture, and access their best practices and feedback.
